Ref: Patent Application Number 07/754,465  
Art Unit 3304 - Filing Date 09/03/91

Dear Ms. Harrison,

Reference is made to your communication dated October 23, 1992, and to our telephone conversation in connection with the subject patent application. The undersigned, NABIL N. GHALY, hereby requests that said patent application, which was amended by my letter dated July 2, 1992, be further amended as follows:

FIRST: Please delete claim numbered "50".

SECOND: Please delete claim numbered "51".

THIRD: Please rewrite claim numbered "43" as follows:

43. An electronic game device as recited in claim 1 wherein each of said plurality of routing means is depicted as a geometric square and comprises binary switching means and further comprises eight (8) ports (four input ports and four output ports) which are depicted to be located at the four (4) edges of the corresponding geometric square such that one input port and one output port are located at each edge of said square to provide eight (8) possible internal routes within the geometric square as follows:

a. if said binary switching means is set to "1", then:

(i) the input port at the bottom edge of the square
